Membership Renewal Letter

Dear Chavrei Hod veHadar,

As we approach the High Holidays once more it is time to renew membership to Hod veHadar. Coming out of the turbulence of Covid we have faced several financial problems. Because of a crisis at World Masorti, they stopped sending money to our community. Then the local municipality cut off funds, claiming shortfalls in the budget. A bigger problem, however has arisen. The school building, which is 26 years old has major structural damage to the roof and walls. We have no choice but to pay for expensive repairs to the order of 200 thousand Nis. The Vaad and I have authorized going ahead with the rehabilitation of the building which cannot be put off. I would like to ask each of you who is able to help us with this major expense.

For each one of us who renew our membership, Hod veHadar represents something of meaning and significance. You are all invited to be active in supporting our community according to your skills and capabilities.

For those facing financial difficulties which influences your ability to pay the membership fee, please be in contact with me.

Shana Tova

Bernie Green, Chair Hod veHadar
