## Membership Renewal Letter

Dear Chavrei Hod ve Hadar,

It has been a turbulent year for our country in so many ways. This is what makes the presence of our wonderful synagogue Hod ve Hadar so important in our lives. When we are together as a community and family, we feel stronger and supported! With the High Holidays coming soon, it is time to support our family and renew your membership.

In addition to contributing to the Sharon area by hosting Lev Ehad for six months during the war, in the past year we have been making improvements to our building and property: fixing the roof, upgrading the bathrooms, installing a new sound system in the main hall and air conditioning in the library. These improvements are all thanks to special donations made by a few of our members. We all want to continue to have a special place to come to on Shabbat and the holidays, a place where we can celebrate our family milestones together. There is more to do to maintain our building and we look forward to your active participation. Listed below are the different ways to send us your annual membership—we appreciate your contribution and value your involvement in our community! And if you would consider a monthly contribution or a special donation to make Hod ve Hadar a better place for all, we would be grateful.

For those facing financial difficulties that would influence your ability to pay the membership fee, please be in contact with me.

Shana Tova

Daniel Aronovic, Chair Hod ve Hadar

**Kehillat Hod VeHadar**, 4 Hachish St., Kfar Saba 44150
